## Do You Know Someone We Should Know ?

We are looking for women whose pursuit of excellence in their area of service or chosen profession has helped make a difference in our community. You know someone. You've worked with her, or worked for her. You've admired her from afar or volunteered side by side on an important project. You've wondered just how she gets so much done and marveled at how much time and work she manages to get out of you!

Please take a minute and give us her name. We would like to honor her.
