

the racial justice pledge: sign it. live it.

I believe that every person has worth as an individual.

I believe that every person is entitled to dignity and respect.

I believe that every thought and every act of prejudice of all kinds is harmful; if it is my thought or act, then it is harmful to me as well as to others.

Therefore, from this day forward I will strive daily to eliminate prejudice from my thoughts and actions.

I will discourage prejudice by others at every opportunity.

I will treat all people with dignity and respect; and I will strive daily to honor this pledge, knowing that the world will be a better place because of my effort.
