Keys to Education Workshop

Whether you are thinking about attending a four-year college, a two-year associate's degree program, or a business or vocational school, the YWCA of Greater Milwaukee would like to assist you in determining your post-secondary educational needs. You are invited to attend a **FREE** ½ day workshop that will help you to accomplish the following:

- Assess your readiness to pursue a post-secondary education
- Learn about financing a post-secondary education
- Understand how to be an effective learner for advanced education
- Problem-solve the barriers that may interfere with you successfully starting a post-secondary education

Workshop information:

Where: The YWCA Community Adult Learning Lab (Lower Level)
1915 N. Dr. Martin Luther King, Jr. Drive

Time: 9:00 a.m. to 12 Noon
