Order Free HIV/AIDS Fact Sheets

National HIV Testing Mobilization Campaign fact sheets are available free of charge to YWCAs that would like to use them in their local efforts to promote HIV/AIDS awareness and encourage HIV testing. The fact sheets are single-sided, so you can copy information about testing, prevention, or other services you offer on the back.

To place an order, simply fill out this form and return it by mail or fax. The fact sheets come packaged in bundles of 100, so please only order in multiples of 100 (i.e., 100, 200, 300, etc.).
