MEMBER INCENTIVES

Stop by the front desk to receive your FREE weight room orientation and fitness evaluation!

GUEST PASS

Expecting house guests? You may request a guest card for those who live outside the El Paso area. The card allows guests to participate in activities 5-7 at regular member rates for a two week period. For your convenience the YWCA accepts the following credit cards: Visa, MasterCard and Discover.

REFUNDS, CREDITS & CLASS CANCELLATIONS

A credit or refund of fees will be made when an activity is cancelled by the YWCA. In case of illness or moving out of town, a partial refund of unused fees may be requested. A doctor's note is required if requesting a refund due to illness.

Looking for a few extra hours of exercise with compensation?

Health and Wellness programs in four YWCA Branch locations are looking for substitutes to fill in when instructors cannot be present to lead the class. High energy and enthusiasm are a must, as well as the music and knowledge necessary to lead the class. Subjects include any of the classes listed in this section. For more information, contact Veronica Wong at v.wong@ywcaelpaso.org.
