

# Sitters List for Parents Parent/Guardian Waiver

The YWCA Ames-ISU supplies the Sitter's List for Parents with the purpose of providing a service/convenience to Ames area residents. The program is not designed to train caregivers or to screen those persons included on the list. The signer of this form accepts responsibility for any reference checks and care-giving arrangements which may be made.

I have read the above statement and understand it. I accept responsibility for the use of this service. If I have questions or concerns about the service or about a caregiver listed, I will deal directly and promptly with the issue and report the information to the appropriate sources.
