

Don't Forget...

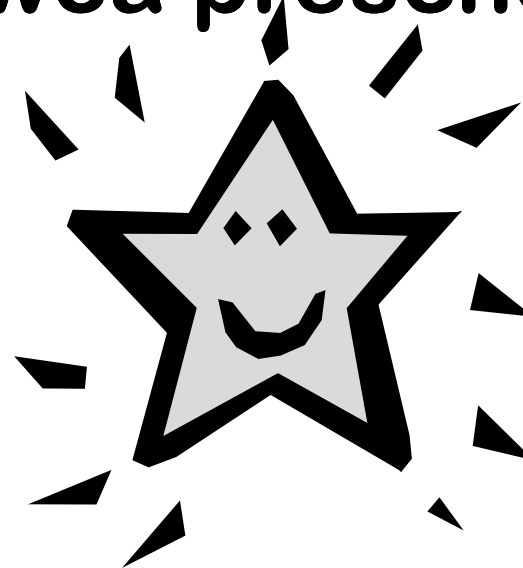

- Children without the proper paperwork will not be allowed to start class until their file is complete - no exceptions! This includes: current physical, up-to-date immunization record, lead and tuberculosis screenings, and other informational paperwork and permission forms. *Make health appointments now so you will be prepared to start classes in September.*
- Stop by the YWCA the first week of July to pick up the informational and permission forms. All forms must be returned to the YWCA in August.
- The times, days, teachers and tuition rates of all classes are subject to change depending on the number of students that are registered for the class.
- If enrollment for a particular class is low, it may not be available in the fall. If this happens, we will make every effort to place children in other classes.
- Annual tuition is divided into nine equal monthly payments. The first tuition payment is due on September 1, 2009 and the last payment is due on May 1, 2010.

The YWCA Preschool

Our Program

The YWCA of the Sauk Valley has been offering preschool for over forty years. Our program has had the opportunity to help many children get a great start on learning in a warm, nurturing and child-centered environment. Our staff are experienced, highly qualified and love teaching. We encourage caregivers to be an active part of their child's life and be involved in our preschool.

Children in our classes learn finger plays, sing songs, go on field trips, complete science experiments in addition to learning about numbers, shapes, colors, and the alphabet. All of our classes are DCFS licensed and each classroom has a computer.

We hope that your child will enjoy a great year at the YWCA preschool and that our program will provide your child with additional nurturing and opportunities so that they can achieve their potential.
