Senior Health Insurance Program (SHIP) – sponsored by YWCA

Medicare counseling is offered at no cost. Assistance with Medicare and related health and prescription insurance questions is provided by unbiased SHIP volunteer counselors. Volunteers, certified by the Illinois Department of Insurance, are available to counsel adults and care takers in a variety of areas.

Three of the locations serve as walk-in sites and are available on a first come, first served basis. The other locations require appointments. The schedule is subject to change due to holidays. For specific details on locations or appointments, call YWCA-RSVP at (309) 662-0461.

A Program of the Illinois Department of Insurance
