

Be a Bud in the new Smart Sprouts Program!

Smart Sprouts are kids K–Grade 5
in after-school programs.
BUDs mentor them, assisting with
reading, math and life skills.

Being a BUD is easy! Do you...

- have 2-4 hours a week, 3:30-5:30 pm
- have time during the 2011-12 school year
- enjoy children!
