

Discover your “YQ”

Did you know that during an *average day* at the YWCA of Greater Baton Rouge:

220 children (prenatal to three years old) are provided quality childcare at four different locations with a teacher-child ratio of 1:4 through our ***Early Head Start*** program?

100 women are provided breast and cervical cancer awareness education and **13 women** are provided free breast or cervical screenings through our ***ENCOREplus*** program?

25 adults are provided adult education, parenting classes, or job and computer skills training through our ***Center for Family Empowerment*** program?

150 youth are educated about teen pregnancy prevention and youth empowerment in middle and high schools through our ***Youth and Teen Services*** program?

8 men and women meet for ***Dialogue on Race*** to examine racism and discuss how to eliminate it?

How high was your YQ?
