Truth and Reconciliation: Healing the Wounds of Racism

Keynote Speaker Nontombi Naomi Tutu

Race and Gender Activist, Author

Daughter of South African Archbishop Desmond Tutu

The challenges of growing up black and female in apartheid South Africa have led Naomi Tutu to her present role as an activist for human rights.

Those experiences taught her how much we all lose when any one of us is judged purely on physical attributes. In her speeches, she blends passion for human dignity with humor and personal stories.

Ms. Tutu is the third child of Archbishop Desmond and Nomalizo Leah Tutu. Growing up the 'daughter of ...' has offered Naomi Tutu many opportunities and challenges in her life. Most important of these has been the challenge to find her own place in the world. She has taken up the challenge and channeled the opportunities that she has been given to raise her voice as a champion for the dignity of all.
